

## **Camp Sequoia Counselor In Training Program 2022**

### **Program Information and Application**

Program Description: Learn to be a leader! This program is designed for students who are interested in growing as a leader and learning to work with children. Participants will be able to experience a leadership roll by assisting the camp staff in the tasks, such as: daily set up and break down, basic supervision of campers, camp activities, arts and crafts, and leading games. CITs are always supervised by adult camp staff and will not be left alone with children.

Program Requirements: Participants must be between the ages of 11 and 18. Some previous camp experience is preferred, but not required. Participants must be responsible and sincerely interested in working with children in a camp environment. CITs must be available Monday through Friday of the weeks they agree to work.

Fee: \$65 per week, this fee demonstrates that you have committed to the program. The \$65 per week fee must be paid through the link that you will be provided after the acceptance of your application is complete. If you are unable to fulfill any of your chosen sessions, you will have that week's fee returned to you.
